By Law No. 259.

To assess the inhabitants of School Section Number three for certain purposes

Whereas the Trustees of School Section Number three have petitioned to have the sum of Two hundred and fifty dollars levied upon the assessed real and personal property of the inhabitants of the said section to pay the salary of the Teacher and to meet the other lawful expenses of the School.

Be it therefore ordained and enacted by the Municipal Council of the Township of Augusta, assembled at the Town Hall on Tuesday the third day of October 1871 that there be levied and collected on the assessed real and personal property of the inhabitants of School Section Number Three the sum of Two hundred and fifty dollars to pay the salary of the Teacher and to meet the lawful expenses of the said School Section, and that the said sum of money shall be apportioned by the Township Clerk on all the ratable real and personal property of the inhabitants of said School Section with an additional ten per cent, on the said Amount to be levied and collected by the Collector of the Township for the current year, in the same manner as is now provided by law for the collection of any other rate, and shall be paid over by the said Collector to the Township Treasurer to be by him paid over to the Trustees of said School Section or their order.
