**REPORT NUMBER:** 2019-133  
**REPORT TO COUNCIL:** November 25, 2019  
**RE:** Grant Application – Service Delivery Review  
**PREPARED BY:** Ray Morrison – CAO/Treasurer

**RECOMMENDATION:**

**THAT** Council receive this report for information, and

**THAT** Council pass a resolution supporting an external third-party service delivery review and

**THAT** Council set aside the procurement Bylaw to enter into a contract with TDC Group management consulting to provide the review, and

**THAT** Council direct the CAO/Treasurer to apply for Municipal Modernization Program intake 1 funding to support the review.

**BACKGROUND:**

In the spring of 2019, the MMAH provided the Township with Modernization funding. On November 12, 2019 the MMAH announced a new stream of funding to assist municipalities to perform third party service delivery review performed, attachment A.

The CAO/Treasurer has reviewed the benefit of doing a joint review with Prescott and Edwardsburgh-Cardinal. We agree there could be significant benefits and cross learning from doing the review at the same time and that would in turn serve the ongoing South Grenville modernization discussions. The intention would be for the consultant to look at the policies, procedures and finances of each municipality separately, and simultaneously look at ways that they might save money by working together. However, Edwardsburgh-Cardinal had already begun their local Service Delivery Review so would be unable to participate in this funding Intake. Thus, it is recommended a joint application with Prescott alone be pursued.

Upon reviewing several requests for proposals, related submissions, and consulting with our auditors and other municipal finance experts, it was agreed that the proposal prepared by TDC Group Management Consulting, addressed the criteria of the funding guidelines and would result in a report that would provide specific, actionable recommendations for costs savings and improved efficiencies. The lead consultant on this project, Mr. Edward Darby has created Recreation and Fire Services master plans for the Township in the past and has extensive background in service delivery optimization and independent reviews. TDC's proposal is very participatory in nature

which will ensure contributions from Council and staff are received and considered. Staff recommends that the Township set aside the procurement process and enter into a contract with Mr. Darby to provide a joint review for Augusta and Prescott.

**FINANCIAL IMPACTS:**

No net financial impacts. The service delivery review will only be performed subject to confirmation of MMAH funding.

November 12, 2019

Dear Municipal Administrator,

Further to the November 1, 2019 letter from the Honourable Steve Clark, Minister of Municipal Affairs and Housing, I am writing to provide additional information about Ontario's new Municipal Modernization Program and advise that Intake 1 under the program is now open.

Under the Municipal Modernization Program, the province is making up to \$125 million available through 2022-23 to help 405 small and rural municipalities conduct new service delivery reviews, implement recommendations from previous reviews and undertake a range of projects, such as IT solutions or process improvements, to achieve cost savings and efficiencies.

Program guidelines and an Expression of Interest form for Intake 1 of the program are attached. Eligible projects under Intake 1 are reviews of municipal service delivery expenditures by independent third-party reviewers that will be completed by June 30, 2020. I encourage you to consider how your municipality might benefit from participation in Intake 1 of the Municipal Modernization Program and submit an Expression of Interest by December 6, 2019. Please see the attached guidelines for details about the program and how to apply.

Under future intakes of the program, municipalities will have the opportunity to apply for projects aimed at implementing service delivery efficiencies to achieve cost savings, in addition to service delivery reviews. Intake 2 under the program is planned for Spring/Summer 2020, with additional intakes expected through 2022-23. Participation in Intake 1 is not a requirement for participation in future intakes.

I look forward to continuing to work together to support your municipality in delivering efficient, effective and modern services for your residents. If you have questions about the program, I encourage you to reach out to your Municipal Services Office contact or email the ministry at [Municipal.Programs@ontario.ca](mailto:Municipal.Programs@ontario.ca).

Sincerely,

# Municipal Modernization Program

## Intake 1 Program Guidelines

### WHAT YOU NEED TO KNOW

Ontario is helping municipalities become more efficient and modernize service delivery while protecting front line jobs.

The 405 small and rural municipalities that received a *Municipal Modernization Payment* in March 2019 can now apply to the *Municipal Modernization Program* for funding to undertake expenditure reviews with the goal of finding service delivery efficiencies and lowering costs in the longer term.

Eligible municipalities can apply individually, or collectively with other eligible municipalities, to undertake independent third-party reviews similar to the *Managing Transformation: A Modernization Action Plan for Ontario* review of Ontario government expenditures.

### ELIGIBILITY CRITERIA

To be eligible under Intake 1, a project must:

1. Be a review of municipal service delivery expenditures by an independent third-party reviewer for the purpose of finding savings and efficiencies. The review project could take a number of forms including:
  - a line-by-line review of the municipality's entire budget; or
  - a review of service delivery and modernization opportunities; or
  - a review of administrative processes to reduce costs.
2. Result in a report by the independent third-party reviewer that provides specific and actionable recommendations for cost savings and improved efficiencies.
3. Begin field work no earlier than November 1, 2019, with a draft report completed by June 15, 2020 and the final report posted publicly by June 30, 2020.

It is anticipated that most review projects will be between \$20,000 and \$200,000. Proposals will be reviewed on a case-by-case basis and funding amounts may depend on the available appropriation. Only third-party service provider fees will be eligible. Municipal administrative costs, such as staff time, are not eligible.

The program will not cover review projects where:

- the goal is to identify opportunities for revenue generation or reductions in front line services; or
- the review does not result in a formal report prepared by a third party; or
- the object of the review extends beyond municipal accountability.

## HOW TO APPLY

1. Advise your Municipal Services Office contact of your intention to apply by **November 22, 2019**.
2. Submit your completed Municipal Modernization Program: Expression of Interest form and applicable supporting documentation to [Municipal.Programs@ontario.ca](mailto:Municipal.Programs@ontario.ca) by **December 6, 2019**.

## HOW IT WORKS

The ministry will advise municipalities of the outcomes of their applications by mid-January. If your application is approved, a proposed transfer payment agreement with the ministry will be sent to confirm the funding amount and set out the terms, including reporting requirements and a payment schedule. Municipalities will receive an initial payment following full execution of a transfer payment agreement and a final payment after submission of a final report.

## PROGRAM TIMELINE

- Advise your Municipal Services Office of your municipality's **intention to apply**.
- Submit your **Expression of Interest** and any supporting documentation to [Municipal.Programs@ontario.ca](mailto:Municipal.Programs@ontario.ca).
- Learn whether your application is approved. If it is approved, enter into a **transfer payment agreement** for project funding, and receive an **initial payment** once the agreement is executed.
- Submit your **third-party reviewer's draft report** to the ministry.
- Post the **third-party reviewer's final report** online and submit your **final report** to the ministry. The final report will include: a hyperlink to the publicly posted third-party reviewer's report; the amount paid to the third-party reviewer and a copy of the invoice; a statement of the total amount of expenditures reviewed and the total amount identified as potential savings; and a 250-word abstract of the project and its findings.
