

BUILDING PERMIT APPLICATION – OTHER

Includes Renovations, Demolitions, Additions, Decks, Ramps, Structural Alterations, Farm Buildings, Wood Stoves, Car Ports, Attached Garages, Sunrooms, Solar Panels, etc.

HOW TO OBTAIN A BUILDING PERMIT

When a building permit is required, an application must be filed with the Building Department using the following forms. Once submitted with all the necessary documentation, a permit **may** be issued **after** the application has been reviewed to ensure compliance with the Ontario Building Code, the Township Zoning By-law and any other applicable regulation. A plans review document, detailing the deficiencies of your submission, if any, may form part of your building permit. The Chief Building Official is responsible for the issuance of all building permits.

Other Land Use Approval permits may be required from such agencies as the Ministry of Transportation, depending on the nature of the project and the specific location of the site.

Building permit fees are listed in **Schedule “A” of [By-Law 3759-2025](#)**. All required **fees** must be paid before the permit can be issued.

Please follow each of the steps below. Should you feel that one of the steps is not required, please contact the Chief Building Official for confirmation.

Step 1: Septic Permit

Submit an application for a Permit to Construct or Demolish to South Nation Conservation when installing septic systems.

[South Nation Conservation Application for a Permit to Construct or Demolish](#)

Step 2: Entranceway

If your property requires an entranceway, please complete the following form and submit it at the Township office.

NOTE: As it can take time to determine the requirements of an entranceway and then to install it, please apply for your entranceway as early in the process as possible, preferably before you apply for your building permit. Do not wait and include it with your building permit package. Entranceways are installed by the Public Works Department, not the Building Department so please bring your application and payment to the township office to be processed separately.

Entranceway Application

Entrances onto county roads (see list below) will require the applicant to acquire approval from the United Counties of Leeds & Grenville's Roads Department prior to receiving a building permit. You can find their Entranceway Application on their [website](#).

Step 3: Authorization for Applicant to Act as Agent

If someone else is applying for a building permit on your behalf or will be discussing your project with the Chief Building Official on your behalf, the following form will need to be signed by you – the landowner – and submitted with your application.

Agent for Registered Landowner

Step 4: Building Permit Application

All applicants must complete, sign and date the [Application for a Permit to Construct or Demolish](#) as well as the [Roles & Responsibilities Declaration](#) Form, the [Site & Drainage Plan](#) Form and the [Construction Details](#) form.

The completed application form must be accompanied by the following:

1. **A deed** may be required indicating the name of the **current registered owner** of the property for which the permit is to be issued.
2. **A site plan** showing the **location of all existing and proposed buildings or additions, any hydro lines, water courses, pipelines, railway tracks and wells or septic systems and leaching beds** on the lot in relation to the property
3. Provide a reasonable and clear **plan showing water drainage** and run off, satisfactory to the Municipal Drainage Superintendent or Designate.
4. **Drawings (2 Sets)** of the proposed works, **fully dimensioned and showing sufficient detail** in order to determine compliance with the building code and any other applicable **One set of drawings are to be printed, the 2nd set is to be submitted in PDF format by email to kmorrell@augusta.ca.*
5. **Truss layout, truss package and joist system layout** must be submitted to the building department prior to the framing inspection request.
6. **Sewage System Permit, or Maintenance Inspection, application** for all new construction, additions and renovations are required to be submitted to South Nation Conservation (see Step 1). A building permit cannot be issued prior to South Nation approval.

If you have any questions regarding any part of this process, please call or email the Chief Building Official, Karen Morrell at 613-925-4231 ext. 106, kmorrell@augusta.ca.
