16.0 **General**

16.1 Any amount owed to the Minister under this Agreement shall constitute a debt due to Her Majesty and shall be recoverable as such. The Recipient agrees to make payment of any such debt forthwith on demand.

16.2 Debts due to Her Majesty will accrue interest in accordance with the *Interest and Administrative Charges Regulations*, in effect on the due date, plus three percent (3%) per annum compounded monthly on overdue balances payable, from the date on which the payment is due, until payment in full is received by the Minister. Any such amount is a debt due to Her Majesty and is recoverable as such.

16.3 Any debt due to Her Majesty by the Recipient may be offset against any amounts payable by Her Majesty to the Recipient. The Minister may set off against the Contribution, any amounts owed by the Recipient to Her Majesty under legislation or contribution agreements and the Recipient shall declare to the Minister all amounts outstanding in that regard when making any claim under this Agreement.

16.4 Neither this Agreement nor any part thereof shall be assigned by the Recipient without the prior written consent of the Minister.

16.5 Payment by the Minister of amounts due under this Agreement shall be conditional on there being a legislated appropriation for the fiscal year of the Government in which the payment is due. The Minister shall have the right to terminate or reduce the Contribution in the event that the amount of the appropriation is reduced or denied by Parliament. In the event that any portion of the Contribution has been paid to the Recipient and the legislated appropriation for the fiscal year of the Government in which such payment is made is not obtained, the Minister shall have the right to recover the amount so paid from the Recipient.

16.6 This Agreement is binding upon the Recipient, its successors and permitted assigns.

16.7 Subject to the *Access to Information Act* (Canada), to the *Library and Archives Act* of Canada, to section 8.0 of this Agreement and to Annex 2, the Parties shall keep

confidential and shall not disclose the contents of this Agreement or the transactions contemplated hereby without the consent of all Parties.

- 16.8 Notwithstanding subsection 16.7, the Recipient waives any confidentiality rights to the extent such rights would impede Her Majesty from fulfilling its notification obligations to the World Trade Organization under Article 25 of the *Agreement on Subsidies and Countervailing Measures*.
- 16.9 This Agreement shall be subject to and construed in accordance with the laws of Canada and of Ontario.
- 16.10 In the event that the Minister is prevented from disbursing the full amount of the Contribution toward Eligible and Supported Costs incurred prior to March 31, 2010, the Parties agree to review the effects of such a shortfall in the Contribution on the implementation of the Agreement and to adjust, as appropriate, the mutual obligations specified therein.
- 16.11 If a dispute arises concerning the application or interpretation of this Agreement, the Parties shall attempt to resolve the matter through good faith negotiation, and may, if necessary and the Parties consent in writing, resolve the matter through mediation or by arbitration by a mutually acceptable mediator or arbitration in accordance with the Commercial Arbitration Code set out in the schedule to the *Commercial Arbitration Act* (Canada), and all regulations made pursuant to that Act.
- 16.12 No amendment to this Agreement shall be effective unless it is made in writing and signed by the Parties hereto.
- 16.13 No provision of this Agreement or action by the Parties will establish or be deemed to establish any partnership, joint venture, principal-agent or employer-employee relationship in any way, or for any purpose, between the Minister and the Recipient, or between the Minister and a third party. Nothing in this Agreement shall be construed as authorizing either Party, or any third party, to contract for, incur any obligation on behalf of, or act as agent for a Party to this Agreement.
- 16.14 Any tolerance or indulgence demonstrated by one Party to the other, or any partial or limited exercise of rights conferred on a Party, shall not constitute a waiver of rights, and unless expressly waived in writing both Parties shall be entitled to exercise any right and to seek any remedy available under this Agreement or otherwise at law. Either Party may, by notice in writing, waive any of its rights under this Agreement.
- 16.15 Title to any intellectual property created solely by the Recipient as part of or in respect of the Project will vest with the Recipient or will be determined by applicable Canadian law, provided that the Minister shall be given the right to the use of any of such intellectual property (e.g. brochures, awareness, packages, etc.) for any governmental purposes.
- 16.16 All reports and other information that the Minister collects, manages or has a right to receive or produce in accordance with this Agreement, or that the Recipient collects, creates, manages and shares with the Minister, shall be deemed to be "Canada Information". The Minister shall have the right, subject to the provisions of the *Access to Information Act*, to release to the public, table before Parliament, or publish by any means, any Canada Information, including such excerpts or summaries of the Canada Information as he may, from time to time, decide to make.

16.17 **Competitive process.** The Recipient shall acquire and manage all equipment, services and supplies required for the Project through a transparent, competitive process that ensures the best value for funds expended. Municipalities must follow their established procurement protocol as directed by the *Municipal Act*. All other Recipients must ensure that for equipment, services and supplies, the estimated cost of which exceeds \$25,000.00, the Recipient shall obtain at least three written quotes, copies of which will be provided to the Minister. A contract for these must be awarded to the lowest qualified bidder or, where the bid price is not the sole specified selection criterion, the highest ranked bidder.

16.18 **No conflict of interest.** The Recipient and its consultants and any of their respective advisors, partners, directors, officers, employees, agents and volunteers shall not engage in any activity or provide any services where such activity or the provision of such services creates a conflict of interest (actually or potentially in the sole opinion of the Minister) with the provision of services under this Agreement. For greater certainty, and without limiting the generality of the foregoing, a conflict of interest includes a situation where anyone associated with the Recipient is able to benefit financially from the Project or where such a person owns or has an interest in an organization that is carrying out work related to the Project.

16.19 **Disclose potential conflict of interest.** The Recipient shall disclose to the Minister without delay any actual or potential situation that may be reasonably interpreted as either a conflict of interest or a potential conflict of interest.

This offer is open for acceptance for thirty (30) calendar days from the date that appears on its face after which time it will become null and void.

Where consistent with the approved Eligible and Supported Costs, as defined in Annex 1 - The Project - Statement of Work, the following criteria will be used in determining eligibility of costs:

Eligible and Supported Costs of travel are those which are deemed necessary to the performance of the Project. To be eligible, travel costs must be clearly documented as to the purpose of each trip. Travel expenses, at economy rates, shall be charged as at actual costs, but only to the extent that they are considered reasonable by the Minister.

Necessary return airfare, train fare or bus fare at economy rates for participating personnel.
