

AUGUSTA TOWNSHIP

ADDENDUM NO.3

TENDER CLOSING DATE: April 15th, 2026

ADDENDUM ISSUED: April 7, 2026

Question 1:

Special provisions and drawings for the road section indicate Item 19 HL-3 and Item 20 HL-8 hot mix asphalt, which do not match. The bid sheet lists guiderail as Item 20. Can you confirm?

Answer 1:

HL-3 (Item 18) and HL-4 (Item 19) are the applicable hot mix asphalt items for this project. Guiderail is Item 20. Please follow the bid sheet accordingly.

Question 2:

Special provisions for asphalt indicate payment by square metre, while the bid sheet specifies tonnes. Can you confirm the method of payment?

Answer 2:

All asphalt will be measured and paid for by the tonne, as indicated in the bid sheet.

Question 3:

There is no item for asphalt removal or the supply of granular material in the area south of the bridge. Can you confirm?

Answer 3:

All asphalt in this area will be removed by the Township prior to the contractor commencing work on site. Granular material, if required, will be addressed through a change order at a later date.
