AUGUSTA TOWNSHIP

Telephone/Internet Voting Election Policies and Procedures

1. AUTHORITY

On November 8, 2021, the Council of the Township of Augusta adopted By-law Number 3543-2021 authorizing the use of an alternative voting method, that being the Telephone/Internet Voting method and, under the authority of By-law Number 3543-2021, the execution of an Electronic Voting Services Agreement between the Township of Augusta and Intelivote Systems Inc. for Telephone/Internet Voting service for the 2022 Municipal Elections.

The *Municipal Elections Act, 1996*, more specifically Subsection 42(3) and (4), states as follows:

- (3) “The Clerk shall,
 - a) Establish procedures and forms for the use of,
 - i. any voting and vote-counting method authorized by by-law; and
 - ii. any alternate voting method authorized by by-law, and
 - b) Provide a copy of the procedures and forms to each candidate when his or her nomination is filed.
- (4) The following rules apply with respect to the Clerk’s duties under clause (3)(a):
 - 1. The clerk shall comply with subsection (3),
 - i. in the case of a regular election, on or before June 1 in the year before the year of the election, and
 - ii. in the case of a by-election, at least 60 days before the first day on which an elector can vote.

Subsection 11(2) of the *Municipal Elections Act, 1996*, states that the clerk of a local municipality is responsible for conducting elections within that municipality and for;

- i)preparing for the election;
- ii)preparing for and conducting a recount in the election;
- iii)maintaining peace and order in connection with the election; and
- iv)in a regular election, preparing and submitting a report regarding the removal of barriers as set out in Subsection 12.1(2) of the Act.

With respect to the duties and authority of a municipal clerk, Subsection 12 (1) of the *Municipal Elections Act* states as follows:

- 12.
 - (1) A clerk who is responsible for conducting an election may provide for any matter or procedure that,
 - i. is not otherwise provided for in an Act or regulation; and
 - ii. in the clerk’s opinion, is necessary or desirable for conducting the election.

AUGUSTA TOWNSHIP

- (2) The power conferred by subsection (1) includes power to establish forms, including forms of oaths and statutory declarations, and power to require their use.
- (3) The power conferred by subsection (1) includes power to require a person, as a condition of doing anything or having an election official do anything under this Act, to furnish proof that is satisfactory to the election official of the person's identity or qualifications or of any other matter.

12.1

- (1) A clerk who is responsible for conducting an election shall have regard to the needs of electors and candidates with disabilities. 2009, c. 33, Sched. 21, s. 8 (8).

13.

- (1) Any notice or other information that this Act requires the clerk to give shall be given in a form and manner and at a time that the clerk considers adequate to give reasonable notice or to convey the information, as the case may be.
- (2) The clerk shall provide electors, candidates and persons who are eligible to be electors with information to enable them to exercise their rights under this Act.

Subsection 42(4)(2) also states that the procedures and forms established by the clerk, if they are consistent with the principles of the Act, prevail over anything in the Act and the regulations made under it.

Subsection 42(5) further states that when a by-law authorizing the use of an alternative voting method is in effect, Sections 43 (advance votes) and 44 (voting proxies) apply only if the by-law so specifies. As one of the purposes for the use of the alternative voting (being Telephone/Internet Voting) was to eliminate proxies, By-law Number 3543-2021 of the Township of Augusta is silent on these issues, and it is therefore not applicable. Therefore, with respect to proxies, a person cannot give his or her Voter Information Letter to another eligible elector or other individual for the purpose of voting. Acceptance of another's Voter Information Letter, including the actual voting thereof will be considered an illegal and corrupt practice and therefore subject to the penalty provision under the *Municipal Elections Act*.

The *Municipal Elections Act*, more specifically Section 53, also provides that the clerk may declare an emergency if he or she is of the opinion that circumstances have arisen that are likely to prevent the election being conducted in accordance with this Act and provides the authority to the clerk to make arrangements for the proper conduct of the election. Any arrangements made by the clerk, if they are consistent with the principles of the *Municipal Elections Act*, prevail over anything in the Act and the regulations and all such arrangements, if made in good faith, shall not be reviewed or set aside on account of unreasonableness or supposed unreasonableness.
