

**Request for Tender for Supply and Application of Liquid Dust Suppressants  
RFQ No. 2026-03**

**TENDER CLOSING DATE: 3:00 pm, Wednesday, April 15, 2026**

Tenders Received by:  
Lindsey Veltkamp – Clerk  
Corporation of the Township of Augusta  
3560 County Rd 26,  
Prescott, ON K0E 1T0

The Township of Augusta invites quotes for the supply and application of liquid dust suppressants. The quote shall be for a one (1) year period with the option to extend for two (2) additional one (1) year periods if mutually agreed to by all parties.

The selected respondent will be requested to enter an agreement formed through the issuance of a Purchase Order. It is the Township's intention to enter into an agreement with the lowest compliant bidder. The contractor will supply and apply liquid dust suppressant on various roads throughout the Township of Augusta as directed by the Public Works Manager or designate.

The solution supplied as a dust suppressant shall comply with the Ontario Provincial Standard Specifications (OPSS) from the following list.

- a) Pure Liquid Calcium Chloride 35 % meeting OPSS.MUNI 506 (November 2017) and OPSS.MUNI 2501 (November 2023).

The service provider must have a system that allows the operator to determine the rate of application with accuracy while spreading the dust suppressant. The application equipment shall be capable of distributing the dust suppressant in a uniform manner at an application rate required by the Public Works Department staff.

A manufacturer's certificate shall be provided stating that an independent laboratory has tested the product and found it to be in complete conformance with the specification.

Questions or concerns should be directed to:

Jon Stadig, Public Works Manager  
Township of Augusta  
Tel. No. (613) 925-4231 ext. 303
